Testimonials

"I still don't have the right words to describe our experience with Summergrove (and our wedding coordinator Ellie!) From the minute we locked in our date, to the minute we left our gorgeous private villa the day after our wedding, everything was 100% perfect. Ellie made our whole day run so smoothly. I kept waiting for something unexpected to crop up and stress me out on the day... but it never did (or if it did, I certainly never found out about it because Ellie was there to battle all of my wedding day stresses for me!) The venue itself is just pure perfection. We were married in the chapel (most romantic and breath-taking chapel I have ever laid eyes on) and had our reception in the brand new barn (which my guests are still raving about just as much as I am!) I still just can't believe that our wedding looked like something from a magazine!

To Ellie, Donna and all of the team at Summergrove, from the bottom of our hearts, THANK YOU! Our dream wedding was brought to life because of you, and there simply aren't enough words to express our gratitude"

"This excellent and well run estate & wedding venue is above and beyond in every respect you could only wish for as the perfect place to declare & celebrate your love amongst family & friends as Sam & Renee did last Friday 12 January 2018. The service, the food, the band, the weather, the views, and on and on without doubt was exceptional and extolled by all 70 guests as sensational in every respect making it memorable beyond belief. So from the parents of the happy couple to Donna and the team at Summer Grove Estate a huge heartfelt thank you and congratulations on making for our respective family and friends such a memorable experience. Unequivocally recommended and endorsed to any and all for something special."

"The new Summergrove Estate barn reception package was worth every cent! My husband and I still clearly remember the day we finally got to see the new barn and it was better than our imagination and photos honestly do no justice. The room is so simple and stunning, it speaks for itself. Not to mention the view that can be seen from the large open doors during dinner. The best reception we have ever seen! The food was also spectacular, all of our guests raved about the quality, taste and generous portion size. Having a European family, food was key to our wedding and Summergrove absolutely exceeded all of our imaginations and dreams in every possible way!"

"Hi Eleanor, Thank you so much for your kind words and for all of your and the team's help on Friday. The organisation was fantastic and needless to say we had the most magical day. If we could we would redo it all in a heartbeat. We've heard nothing but absolutely fantastic feedback from our guests about the venue, the staff, the food etc. We appreciate the effort that was put in, particularly with the change of ceremony location. Thanks again"
