A full-length photograph of a wedding couple standing in front of a large, white, double-door barn door. The door is closed and features a black sliding track with four black rollers. Above the door is a window with two white shutters, each decorated with a black 'X' pattern. A small, black, lantern-style light fixture is mounted on the wall above the door. The couple is holding hands and looking at each other. The man is wearing a black suit, and the woman is wearing a white lace wedding dress with a long veil. The background is a white wooden wall with vertical planks.
